

# Means of Transportation

Read the clues and identify the means of transportation. Write the number in the circle to match the description to the picture.

1

I'm a special means of transportation.  
I'm used during critical situations.  
People call me when they are injured or seriously ill.

2

I have a siren and flashing lights.  
I carry water, hoses, and ladders.  
I help to put out the fire.

3

I help the cops patrol the streets.  
I'm equipped with a radio.  
I transport suspects and evidence to the prison.

4

I stay underwater for months.  
I'm used for research and defense.  
I'm usually enclosed on all sides.

5

I have wings, a nose, and a tail.  
I can fly high in the sky.  
I'm the fastest means of transport.

6

I'm connected to railroad cars and carry people or goods.  
I run along a railroad.  
I've been around since the 19th century.
