## Answer Key

# Skip Count by 5s

Count by 5s to complete the chart.

A cartoon teacher with black hair, wearing a purple dress and pink shoes, is pointing to the number 5 on a whiteboard. The whiteboard contains a grid for skip counting by 5s. The grid is divided into two sections: a top section with a blue border and a bottom section with a white background. The top section contains a large 'PREVIEW' watermark and promotional text. The bottom section contains a grid of numbers starting from 5 and increasing by 5s up to 205. The numbers are arranged in a grid with 5 rows and 2 columns. The first column contains 5, 55, 105, 155, and 205. The second column contains 10, 60, 110, 160, and 210. The numbers are in red, except for the starting number 5 which is in blue.
