Name : _____

Answer Key

Skip Counting by 4s

Moderate: S5

Count by 4s, and complete the path to help Jessica, a scuba diver, reach the pearl oyster.

The scene is an underwater environment with a light blue background and wavy lines representing water. At the top right, a scuba diver in a purple suit and yellow fins is swimming. A path of numbered shells leads from the diver towards the bottom left. The shells contain the numbers: 4, 20, 24, 28, 32, 52, 56, 60, and 80. The number 80 is on a shell resting on the sandy ocean floor. The floor is decorated with various sea life: a pink pearl oyster with a white pearl, green seaweed, purple coral, and grey rocks. In the center, a large white box with a blue border contains a 'PREVIEW' message and a website URL.
