The Thirteen Colonies

Answer the questions based on the chart.

- 1) Which colonies came under the southern colonial region?

The colonies in the southern region were Virginia, Maryland, North and South Carolina and Georgia.

- 2) Name the religious faction that was prevalent in the New England Colonies.

The religious faction that was prevalent in the New England Colonies was Puritanism.

- 3) Which colonial region was known for its diverse economies and why?

The middle colonies were known for their diverse economies because this region had a variety of natural resources and a government that encouraged trade with other countries.

- 4) Write a short note on the climate of the New England Colonies.

The New England Colonies had a cold climate with mild summers. The people there had to learn their living in ways other than farming.

- 5) List out the three types of government that existed in the colonies.

The three types of government that existed in the colonies were the Royal, the Charter and the Proprietary government.
