Answer key

SUBTRACTION FACT - 4

Write any five subtraction sentences that equals four.

(Answers may vary)

A central graphic featuring a white rectangular box with a blue border, set against a background of a grey stone house with a brown arched doorway and a small square window. The house is surrounded by green grass and clusters of red tulips and yellow daffodils. Four orange paper strips are attached to the box, each displaying a subtraction fact: $5 - 1$ (top-left), 4 (top-right), $9 - 5$ (left), and $1 - 7$ (right). The word "PREVIEW" is written in large blue letters at the top of the box. Below it, the text reads: "Gain complete access to the largest collection of worksheets in all subjects!". At the bottom of the box, there are two blue callout boxes: one for members to log in and one for non-members to sign up. The website address www.mathworksheets4kids.com is printed at the very bottom of the box.
