

Name : _____

Surface Area - Sphere & Hemisphere

Integers: ES1

Find the surface area of each sphere and hemisphere. (use $\pi = 3.14$)

1)

Surface Area = _____

2)

Surface Area = _____

3)

Surface Area = _____

4)

Surface Area = _____

5)

Surface Area = _____

6)

Surface Area = _____

7)

Surface Area = _____

8)

Surface Area = _____

9)

Surface Area = _____
