Multiple Choice

Choose the correct transformation.

1) a) reflected, then translated  
   b) rotated, then translated  
   c) rotated, then reflected

2) a) translated, then reflected  
   b) rotated, then translated  
   c) reflected, then rotated

3) a) rotated, then translated  
   b) translated, then reflected  
   c) reflected, then rotated

4) a) rotated, then reflected  
   b) translated, then rotated  
   c) reflected, then translated

5) a) translated, then reflected  
   b) rotated, then translated  
   c) reflected, then translated

6) a) translated, then reflected  
   b) rotated, then reflected  
   c) rotated, then translated
Choose the correct transformation.

1) a) reflected, then translated
   b) rotated, then translated
   c) rotated, then reflected

2) a) translated, then reflected
   b) rotated, then translated
   c) reflected, then rotated

3) a) rotated, then reflected
   b) translated, then reflected
   c) translated, then rotated

4) a) rotated, then reflected
   b) translated, then rotated
   c) reflected, then translated

5) a) translated, then reflected
   b) reflected, then translated
   c) rotated, then reflected

6) a) rotated, then reflected
   b) translated, then rotated
   c) reflected, then translated
