Choose the correct transformation.

1) a) reflected, then translated  
   b) rotated, then translated  
   c) rotated, then reflected

2) a) translated, then reflected  
   b) rotated, then translated  
   c) translated, then reflected

3) a) rotated, then translated  
   b) translated, then reflected  
   c) reflected, then rotated

4) a) rotated, then reflected  
   b) translated, then rotated  
   c) reflected, then translated

5) a) translated, then rotated  
   b) reflected, then translated  
   c) rotated, then reflected
