Write a rule to describe each reflection.

1) 2) 3) 4) 5)
Write a rule to describe each reflection.

1) Reflection across the line x = –2

2) Reflection across the line y = –x

3) Reflection across the line x = –3

4) Reflection across the line y = –5

5) Reflection across the line y = 2

6) Reflection across the line x = 4
