

# Rotate the Quadrilaterals

Graph the image of each quadrilateral after rotating it about the origin.

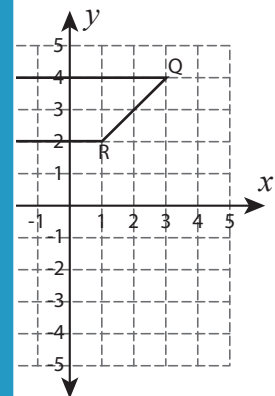

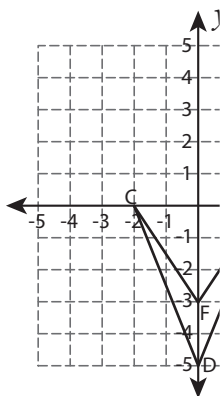

1)  $180^\circ$  rotation

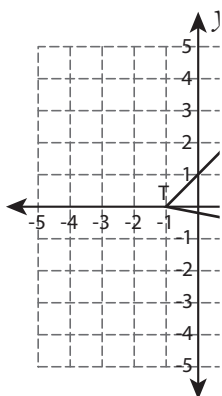

2)  $90^\circ$  clockwise rotation

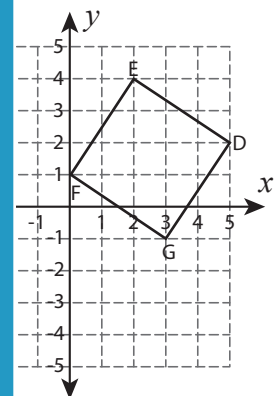

3)  $90^\circ$  counterclockwise rotation

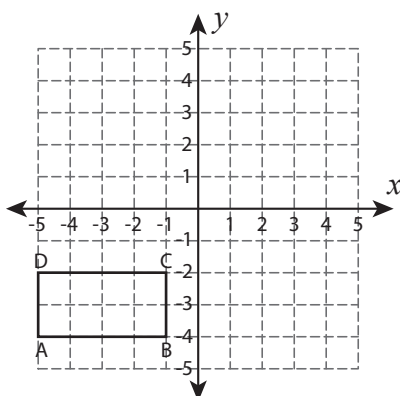

5)  $90^\circ$  clockwise rotation

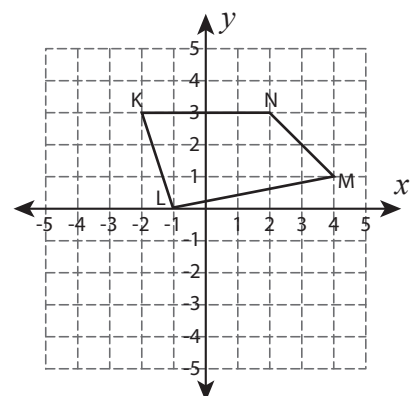

6)  $90^\circ$  counterclockwise rotation

7)  $180^\circ$  rotation

8)  $90^\circ$  clockwise rotation
