# PLACE VALUE POSTER - MILLIONS

A place value chart for the number 8,790,000. The chart is organized into columns for Millions, Hundreds, Tens, and Ones. The digit 8 is in the Millions column, 7 is in the Hundreds column, and 9 is in the Tens column. The Ones column is empty. A large blue box is overlaid on the chart, containing a 'PREVIEW' message and a sign-up prompt. The URL www.mathworksheets4kids.com is also visible.

Millions	Hundreds	Tens	Ones
8	7	9
