## Make and Interpret

DS2

A number of college athletes clocked various timings (in seconds) in a few competitive 400 m practice sessions. Their university coach recorded and tabulated the timings to pick the fastest runners. Read the data and answer the following questions.

50	48	52	54	51	46	47	51	50	49	53
51	47	46	50	48	49	48	52	50	49	51
46	50	47	50	49	48	51	47	54	52	53
47	54	50	51	52	51	46	48	47	50	49
