Adverb

An adverb is a word that modifies the meaning of a verb, an adjective or another adverb.

Preposition

A preposition is a word that shows the relationship between nouns, pronouns and other words in a sentence.

Conjunction

A conjunction joins words, phrases or clauses in a sentence.

Interjection

An interjection is a word or a phrase used to express strong emotions.

Example:

Hurrah! Nick got a hatrick in today's match, and we won it impressively.
