Let's cook up a story!

Set the scene of your story and include an inference to give information about the story.

When? (Write the time of the day.)

________________________________________________________________________________________

________________________________________________________________________________________

Where? (Think of a place to set your story.)

________________________________________________________________________________________

________________________________________________________________________________________

Who? (Who are the characters in your story?)

________________________________________________________________________________________

________________________________________________________________________________________

What? (What are the characters in your story doing?)

________________________________________________________________________________________

________________________________________________________________________________________

Why? (Why do you think this is happening?)
