Bar Graph - Comparing Sales

Sheet 1

Mr. Peter owns two kitchen appliance stores. He compares the sales at the two stores and records the information in a bar graph. Use the bar graph to answer the questions.

1) Which item is sold the most in store B?

2) Which store sells the fewer toasters?

3) Is it correct that store A sells twice as many grills as store B?

4) What is the difference between store A and store B in terms of the blenders sold?

5) How many appliances does store A sell in all?
