

Properties of Quadratic Function

Find the properties of each quadratic function.

1)

Domain : _____

Range : _____

x -intercepts : _____

y -intercept : _____

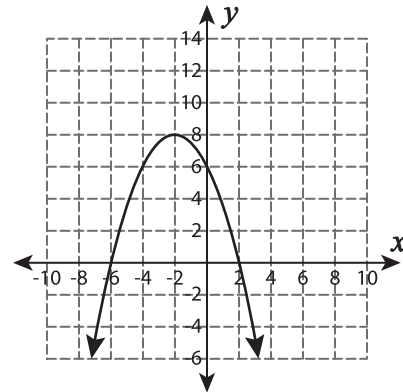

Vertex : _____

Minimum value : _____

Axis of symmetry : _____

Open up or down : _____

2)

Domain : _____

Range : _____

x -intercepts : _____

y -intercept : _____

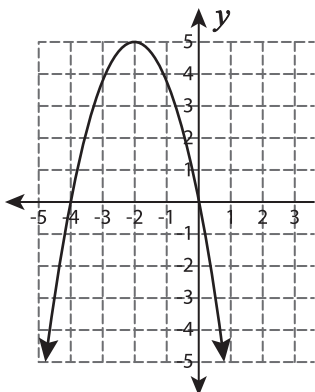

Vertex : _____

Maximum value : _____

Axis of symmetry : _____

Open up or down : _____

3)

Domain : _____

Range : _____

x -intercepts : _____

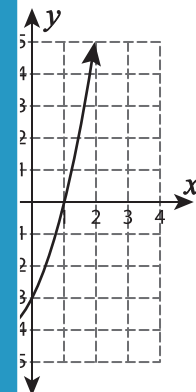

y -intercept : _____

Vertex : _____

Maximum value : _____

Axis of symmetry : _____

Open up or down : _____

Domain : _____

Range : _____

x -intercepts : _____

y -intercept : _____

Vertex : _____

Minimum value : _____

Axis of symmetry : _____

Open up or down : _____
